LEGISLATURE AND THE COUNCIL OF THE CAMDEBOO MUNICIPALITY ON
THE FINANCIAL STATEMENTS AND PERFORMANCE INFORMATION OF
CAMDEBOO MUNICIPALITY FOR THE YEAR ENDED 30 JUNE 2008**

REPORT ON THE FINANCIAL STATEMENTS

Introduction

1. I have audited the accompanying financial statements of the Camdeboo Municipality which comprise the balance sheet as at 30 June 2008, income statement and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages ... to

Responsibility of the accounting officer for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with the entity-specific basis of accounting, as set out in accounting policy note 1 and in the manner required by the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003) (MFMA) and the Division of Revenue Act, 2007 (Act No. 1 of 2007) (DoRA). This responsibility includes:
 - designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
 - selecting and applying appropriate accounting policies
 - making accounting estimates that are reasonable in the circumstances.

Responsibility of the Auditor-General

3. As required by section 188 of the Constitution of the Republic of South Africa, 1996 read with section 4 of the Public Audit Act, 2004 (Act No. 25 of 2004) (PAA), my responsibility is to express an opinion on these financial statements based on my audit.
4. I conducted my audit in accordance with the International Standards on Auditing and *General Notice 616 of 2008*, issued in *Government Gazette No. 31057 of 15 May 2008*. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
6. An audit also includes evaluating the:
 - appropriateness of accounting policies used

- reasonableness of accounting estimates made by management
 - overall presentation of the financial statements.
7. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Basis of accounting

8. The municipality's policy is to prepare financial statements on the entity-specific basis of accounting, as set out in accounting policy note 1.

Opinion

9. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Camdeboo Municipality as at 30 June 2008 and its financial performance and cash flows for the year then ended, in accordance with the basis of accounting as set out in paragraph 1 of the accounting policies and in the manner required by the MFMA and DoRA.

Emphasis of matters

Without qualifying my audit opinion, I draw attention to the following matters:

Highlighting critically important matters presented or disclosed in the financial statements

Unauthorised , irregular or fruitless expenditure

10. As disclosed in note 25 to the financial statements irregular expenditure awaiting condonement to the amount of R1 887 838 was incurred during 2007-8. This amount relates to performance bonuses amounting to R138 574 that was paid in the absence of a performance management system and transactions amounting to R1 749 264, where the council's supply chain management policy was not followed, were concluded. The aforementioned expenditure are deemed to be irregular in terms of section 1 of the MFMA, paragraph (d) of the definition of irregular expenditure.

Restatement of corresponding figures

11. The financial statements of the municipality as at 30 June 2007 were audited and a qualified opinion expressed due to disagreements with management as to the understatement of accounts receivable and accumulated surplus, incorrect recognition and understatement of interest on investments and statutory funds, trust funds and reserves as well as the failure to disclose unauthorized expenditure as required by section 125(2)(d) of the MFMA in the financial statements. The previously issued financial statements were not revised and corresponding figures have not been restated. It should however be noted that adjustments were processed during the 2007-8 financial year.

OTHER MATTERS

Without qualifying my audit opinion, I draw attention to the following matters that relate to my responsibilities in the audit of the financial statements:

12. Par 11 of the Code of Conduct for Municipal Councilors (established in terms of Section 54 and detailed as Schedule 1 to the Municipal Systems Act 32 of 2000 (MSA)) prohibits councilors from being involved in the administration. During the 2007-8 financial year, councilors made the final decision regarding the appointment of staff based on the recommendations made by Finance and Human Resources Committee. (This matter has been reported previously)
13. No evidence could be obtained that all the councilors with business interests disclosed such interest as required by paragraphs 5 and 7 of Schedule 1 of the MSA. (This matter has been reported previously)
14. A number of suppliers were not paid within 30 days of receiving of the relevant invoice or statement as required by section 65(2)(e) of the MFMA. In the two most severe cases the relevant supplier were only paid after 238 and 303 days respectively.
15. Certain payments in excess of R3 000 made by the municipality were not supported by proper tax invoices reflecting the VAT registration number of the supplier and that of the municipality as required by section 20(4) of the Value Added Tax Act, 1991 (Act No. 89 of 1991) as amended.
16. Certain instances were noted where the maximum number of overtime hours as prescribed in section 10(1)(b) of the Basic Conditions of Employment Act (Act No 75 of 1997) were exceeded.(This matter has been reported previously)
17. Contravention of GRN.868 of 30 May 2005: Municipal Supply Chain Management Regulations (MSCMR)
 - i. Purchases were made from suppliers that were not listed on the list of accredited prospective service providers. (Refer to paragraph 13 and 14 of the MSCMR).
 - ii. Not all purchases were made through a competitive bidding process. (Refer paragraph 19 of the MSCMR).
 - iii. Certain awards in excess of R15 000 were made to persons whose tax matters have not been declared by the South African Revenue Services to be in order. (Refer paragraph 43 of the MSCMR).
 - iv. No records or reasons for any deviations from the MSCMR were documented. (Refer paragraph 36(2) of the MSCMR).
